

§ 904.301

§ 904.301 Bases for sanctions or denials.

(a) Unless otherwise specified in a settlement agreement, or otherwise provided in this subpart, NOAA may take action under this subpart with respect to any permit issued under the statutes cited in § 904.1(c). The bases for an action to sanction or deny a permit are as follows:

(1) The commission of any offense prohibited by any statute administered by NOAA, including violation of any regulation promulgated or permit condition or restriction prescribed thereunder, by the permit holder or with the use of a permitted vessel;

(2) The failure to pay a civil penalty assessed under subparts B and C of this part; or

(3) The failure to pay a criminal fine imposed or to satisfy any other liability incurred in a judicial proceeding under any of the statutes administered by NOAA.

(b) A sanction may be imposed or a permit denied under this subpart with respect to the particular permit pertaining to the offense or nonpayment, and may also be applied to any NOAA permit held or sought by the permit holder, including permits for other activities or for other vessels. Examples of the application of this policy are the following:

(1) NOAA suspends Vessel A's fishing permit for nonpayment of a civil penalty pertaining to Vessel A. The owner of Vessel A buys Vessel B and applies for a permit for Vessel B to participate in the same or a different fishery. NOAA may withhold that permit until the sanction against vessel A is lifted.

(2) NOAA revokes a Marine Mammal Protection Act permit for violation of its conditions. The permit holder subsequently applies for a permit under the Endangered Species Act. NOAA may deny the ESA application.

(3) Captain X, an officer in Country Y's fishing fleet, is found guilty of assaulting an enforcement officer. NOAA may impose a condition on the permits of Country Y's vessels that they may not fish in the fishery conservation zone with Captain X aboard. (See § 904.320(c).)

(c) Sanction not extinguished by sale.

15 CFR Ch. IX (1-1-01 Edition)

§ 904.302 Notice of permit sanction (NOPS).

(a) A NOPS will be served personally or by registered or certified mail, return receipt requested, on the permit holder. When a foreign fishing vessel is involved, service will be made on the agent authorized to receive and respond to any legal process for vessels of that country.

(b) The NOPS will set forth the sanction to be imposed, the bases for the sanction, and any opportunity for a hearing. It will state the effective date of the sanction, which will ordinarily not be earlier than 30 calendar days after the date of receipt of the NOPS (see § 904.322).

(c) Upon demand by an authorized enforcement officer, a permit holder must surrender a permit against which a sanction has taken effect. The effectiveness of the sanction, however, does not depend on surrender of the permit.

§ 904.303 Notice of intent to deny permit (NIDP).

(a) NOAA may issue an NIDP if the applicant has been charged with a violation of a statute, regulation, or permit administered by NOAA.

(b) The NIDP will set forth the basis for its issuance and any opportunity for a hearing, and will be served in accordance with § 904.302(a).

(c) NOAA will not refund any fee(s) submitted with a permit application if an NIDP is issued.

(d) An NIDP may be issued in conjunction with or independent of a NOPS. Nothing in this section should be interpreted to preclude NOAA from initiating a permit sanction action following issuance of the permit, or from withholding a permit under § 904.310(c) or § 904.320.

§ 904.304 Opportunity for hearing.

(a) Except as provided in paragraph (b) of this section, the recipient of a NOPS or NIDP will be provided an opportunity for a hearing. The hearing may be combined with any other hearing under this part.

(b) There will be no opportunity for a hearing if, with respect to the violation that forms the basis for the NOPS or NIDP, the permit holder had a previous opportunity to participate as a party
